Led by full-time conductors in residence and supported by a number of full-time staff as well as many members of the top professional orchestras in and around Montreal, Orchestral Training at McGill provides for regular private practical lessons as well as performance in one or more large instrumental ensembles including a full symphonic orchestra (approximately 100 players), a contemporary music ensemble, a percussion ensemble, and a variety of small chamber music groups. It also includes regular coached orchestral sectionals and orchestral repertoire classes.

5.3 Scholarships and Financial Aid

General information on scholarships, including McGill Entrance Scholarships, and a detailed listing of all awards are available at www.mcgill.ca/studentaid/scholarships-aid.

The Schulich School of Music offers a range of prestigious scholarships based on academic and performance achievements. In any given year, 60 Schulich Scholars hold renewable **Schulich Scholarships** valued at \$5,000 (undergraduate) and \$10,000 (graduate). Renewable **Lloyd Carr-Harris String Scholarships**, valued between \$6,000 and \$18,000, are awarded to our most promising incoming string students. Additional scholarships and financial aid are available both through the Schulich School of Music and McGill University's [Student Aid Office](#).

While taking into account the stipulations of the individual awards, Schulich School of Music scholarships, awards, and prizes are given on the basis of a student's record for the academic session ending in April and are tenable during the next academic year beginning in September. Students must have successfully completed at least 27 credits (excluding summer courses and courses completed under the Satisf

year preceding the award and must register for full-time studies during the subsequent year, unless fewer credits are needed to complete the program. Students whose records contain outstanding incompletes or deferrals will not be considered. No application is required.

5.4 Summer Studies

Summer Studies offers courses starting in May, June, and July.

Students may take a maximum of 18 credits during the Summer session. Those wishing to take more than 5 credits in any one month must obtain the permission of an Academic Adviser.

Information concerning course offerings and application forms may be obtained from the McGill Summer Studies Office [website](#), or by calling 514-398-5212.

5.5 Music Credit Options for Students in Other Faculties

The Schulich School of Music offers three groups of courses that may be taken for credit by students in other faculties.

The first group consists of Music Literature and Theory courses especially designed for students from other faculties who may not have tak

Full information, including access to the web-based application form, is available at www.mcgill.ca/music/admissions.

In order to ensure proper consideration, web applications for September must be submitted by **January 15**. The School does not normally admit students in January. Please consult the Music Admissions Office for exceptions. Applications received after these deadlines will be considered if places are still available.

- 1. Application information** should include detailed descriptions of the applicant's musical background, training, and statement of intent including diplomas, certificates, and/or transcripts;
- 2.** All applicants must arrange to have a **Music Evaluation Form** submitted on their behalf;
- 3.** All **supporting documents** for undergraduate applications can be submitted online via Minerva; see www.mcgill.ca/applying/ive-applied-now-what for guidelines on how to upload documents;
- 4.** Once an admission decision is made, **official transcripts** may be required to complete the admission file;
- 5.** All **screening and audition recordings** should be submitted electronically directly to the Schulich School of Music: www.mcgill.ca/music/admissions/undergraduate.

Applicants are advised that satisfying the entrance requirements does not guarantee admission where instrumental places are limited.

6.2 Music Entrance Requirements

The minimum music entrance requirements are the equivalent of McGill Conservatory Collegial I Instrument or Voice (Performance applicants: Collegial II) and Secondary V Theory and Ear Training.

Approximate Equivalents to Entrance Requirements in Practical Subjects (McGill Conserv)

6.3 Academic Entrance Requirements

6.3.1 Bachelor of Music

The applicant's entrance audition and the academic record are considered when making an admission decision. As a limit is placed upon the number of students admitted to study a particular instrument, fulfillment of the minimum entrance requirements does not guarantee acceptance. TOEFL may be required of non-Canadian students whose mother tongue is not English. It is the applicant's responsibility to make the necessary arrangements with the examining board to write the test in the country of residence.

6.3.2 CEGEP Applicants

Students are expected to obtain the Quebec Diploma of Collegial Studies (*Diplôme d'études collégiales*) in the Music Concentration or equivalent. Applicants with a DCS/DEC in a field other than Music must have the equivalent Music prerequisites. The minimum overall average required is 75%. CEGEP graduates are considered for admission to a three-year or a four-year program.

6.3.3 Canadian High School (excluding Quebec) Applicants

Applicants are expected to obtain a high school graduation diploma that leads to university admission in the student's home province. Ontario high school students are normally expected to have obtained a minimum of six pre-university (4U, 4M) courses; at least four of the six must have been taken at the 4U level. There are no specific non-Music prerequisite courses required, and the minimum overall average should be 75%. Canadian high school graduates are admitted to a four-year program.

6.3.4 U.S. High School Applicants

Applicants are expected to obtain a high school graduation diploma that meets the requirements for university/college admission in the U.S. The minimum overall average required is B+. There are no specific non-Music prerequisite courses, SAT, or Achievement Test results required. Some credit will be granted for Advanced Placement Examinations in appropriate subjects. U.S. high school graduates are admitted to a four-year program.

6.3.5 International Applicants

In general, applicants must be eligible for admission to university in their country of origin and have above-average grades. Students who have completed an International Baccalaureate, a French Baccalaureate, or a minimum of three GCE "A" (Advanced) Level examinations are considered for admission into a three-year program. Normally, applicants with five GCE "O" (Ordinary) Level results, plus one year of schooling beyond the Ordinary Level, are admitted to a four-year program. Applicants with qualifications from other systems will be considered for either a three-year or a four-year program.

6.3.6 Transfer Students

Transfer students are considered on the basis of both their university or college work and previous studies. Normally, students are expected to complete a full year of university studies prior to applying for admission, and to be in good standing as defined by the university previously attended. The minimum overall average required is a CGPA of 3.00. Transfer credits for non-Music courses in which a grade of C or better has been received are granted following an evaluation of the student's transcript. Transfer credits, with certain restrictions, are granted for music complementary or elective courses following an evaluation of the student's transcript (a higher grade may often be required). Transfer students must complete a minimum of 60 credits at McGill in order to obtain a degree.

6.3.7 Mature Students

Applicants who are at least 21 years of age and are Canadian citizens or Permanent Residents at or before registration, who have not met the high school or CEGEP academic requirements, and who are able to demonstrate exceptional talent in their discipline may be considered for admission. Such applicants may reside anywhere in Canada. All available academic/educational documents must be submitted. An interview may be required.

6.3.8 Special Students

Special Students do not need to fulfil any of the academic requirements outlined previously, but are required to have the necessary music prerequisites for the courses concerned. Registration is subject to the availability of space in the course(s) concerned. Special Students are considered on the same basis as other applicants.

6.4 Diploma Programs

6.4.1 L.Mus. (All Applicants)

For admission to the Licentiate program, the applicant must have completed secondary school. The applicant's music qualifications must be equivalent to McGill Conservatory Collegial II Instrument or Voice and Secondary V Theory/Ear Training. An entrance audition is required. This program is normally three years in length.

6.5 Music Placement Examinations

In order to determine their course levels, **all new students** must sit diagnostic placement examinations starting the week prior to the beginning of classes in:

- Theory
- Musicianship (Ear Training)
- Music History
- Keyboard Proficiency

and, for **Jazz students**:

- Jazz Ear Training
- Jazz Keyboard Proficiency
- Jazz Materials

Placement examination results will be distributed during the Advising Session for new students on September 4.

For a precise schedule and sample exams, refer to the [Placement Exams](#) website.

First-year students enrolled in the **Bachelor of Music** program who have completed the Quebec Diploma of Collegial Studies (*Diplôme d'études collégiales*) in a Music concentration or equivalent, or students transferring from other universities or colleges, and who have completed a course in the history of Western music and/or a course in the history of Jazz will be reviewed for exemption from the first-year Western Musical Traditions requirement (MUHL 186) and/or the first-year Jazz History Survey requirement (MUJZ 187).

Students accepted into the **Licentiate Diploma**, who have completed the degree of Bachelor of Music at a Canadian or American university (or the equivalent elsewhere).

6.7 Readmission

Students in Satisfactory Standing, who have not been registered in the Schulich School of Music for one or two terms, may return to the program in which they were previously registered upon permission of the Faculty. Those who have been out for longer than two consecutive terms may be readmitted upon permission of the Faculty, subject to the student's previous record and current Faculty limitations on enrolment, but will be required to re-audition. Students who have completed their required practical examinations and are returning to fulfil academic courses are not required to re-audition. Students who are uncertain of the re-audition regulations are urged to contact the *Academic Adviser*.

Students seeking program re-admission must submit a request in writing to the Music *Student Affairs Office*, giving a summary of their activities during their absence. The deadlines are:

- **Winter session** – Nov

7 Academic Information

Students are required to be punctual at all classes and lessons. Grades in theoretical subjects are calculated on the basis of class work and/or examinations. Students are warned that by missing examinations or class work they risk failure in the subject concerned.

7.1 Ensemble Policy and Regulations

7.1.1 Preamble

The ensemble program is designed to provide an enriched and cohesive curriculum in practical musicianship for every student. Much of this training is accomplished in ensembles (instrumental, choral ensemble, or specialized) for the duration of a student's studies.

Students are responsible for checking their program requirements carefully in order to verify and fulfil Large and Small ensemble requirements; the Performance Department does not follow the particular enrolment of any student's participation in their Large or Small ensembles.

Note: In some documentation, Large ensembles are referred to as "Basic" ensembles, and Small ensembles are referred to as "Assigned" ensembles.

For each program's Large and Small ensemble requirements, students should refer to the appropriate section of the eCalendar's [Music Undergraduate](#) section (all Undergraduate and Licentiate requirements are found under [section 8.2: Department of Performance](#))

In all programs which specify Small ensembles, the following are considered Small ensembles:

Note: Beethoven Orchestra (MUEN 567) does not count tow

7.1.7 Request to be Excused from a Rehearsal

Students who cannot attend a rehearsal for a Large ensemble are required to fill out an [Absence Request Form](#) as soon as they learn of their conflict. The students may be required to find a replacement for their part, in collaboration with the Director.

Note: For Opera McGill policies, please contact the Opera Department directly (opera@music.mcgill.ca).

How to submit a request to be absent from a rehearsal

Important: No permission is given to be excused from a rehearsal in the week (7 days) before a concert, including the dress rehearsal and the concert itself.

Absences or tardiness without an approved Ensemble Excuse Form (available at <http://sites.music.mcgill.ca/ensembles/absencerequest>) will result in a final mark deduction as follows:

- Excused absences = no loss of grade
- Tardy to rehearsal, without approved Absence Request Form = loss of one grade point (e.g., B to B-)
- Absences without approval = loss of one entire letter grade (e.g., A to B)

Students may be excused from a rehearsal of an ensemble for the following reasons; however, submitting a form with one of these reasons does not guarantee approval of a request.

| Reason for Absence | Actions Required |
|--|---|
| <ul style="list-style-type: none"> • Sickness, or emergency medical or dental work <p> Important Note: Any student who is experiencing pain while playing or singing should inform their practical teacher and the Director of their ensemble(s), and should seek appropriate medical attention. Students should not be reluctant to admit to injury; it is entirely acceptable for students to be excused from ensemble rehearsal(s) for health reasons. The School does not want students to perform with pain or injury. If students are experiencing pain while playing, then they are permitted to sit in rehearsal in their assigned place without playing in the rehearsal.</p> | <ol style="list-style-type: none"> 1. 7.1.8 Preparation

If the Director of an ensemble is not satisfied with the quality of preparation that a student has been making for the ensemble, the Director shall first warn the student. This warning shall be communicated by the Director to the Ensemble Resource Administrator and Area Chair, who shall inform the student in writing. If, in the Director's opinion, this lack of preparation continues, further action will be taken to remedy the situation.

For any particular performance, if—after a written warning to the student(s) at least two (2) weeks prior to the performance, with copies to the Ensemble Resource Administrator, practical instruction teacher, Area Chair, and Department Chair—the Director, in consultation with his/her coaches, feels that the performance of a student or group of students will not meet a certain minimum standard established by the Director, the Director may cancel a student's participation in a performance.

7.1.9 Discipline

The Director of an ensemble may recommend that a student withdraw from an ensemble for disciplinary reasons. A student asked to do so will be required to appear before the Department Chair, Area Chair, and Director to show cause why he or she should not be required to withdraw.

Students who are required to withdraw from an ensemble for reasons of lack of preparation or discipline will be given a grade of F, which will be reflected in their Grade Point Average (GPA).

7.1.10 Withdrawal

Withdrawal for any reason obliges the student to make up the credit(s) during a later semester.

7.1.11 Exemption from a Required Ensemble

In order to be given permission not to participate in a required ensemble for a term or part thereof, a student must:

1. be a participant in a major national or international competition, or (in the case of voice students) be given a significant role with a recognized performing arts ensemble, and (in the case of all students) have completed the minimum number of required terms of the ensemble, and have the permission of:
 - his or her practical teacher
 - the Area Chair
 - the Director of the ensemble
2. have completed all program requirements except the final exam on his or her instrument, or
3. have completed all musical requirements of his or her program, having only non-music and/or free electives remaining, or
4. have a significant medical reason.

Note: Permission to not participate in a required or complementary ensemble for a term or part thereof is not an exemption and does not satisfy any credit requirements for a degree.

7.1.12 Rotation in Large Ensembles

When possible, and to help ensure equal opportunity and experience for students in the large instrumental ensembles, the seating of students in these ensembles may be rotated periodically throughout the term or year. The Director of the ensemble, along with the guidance of the Area Chairs and/or practical instruction teachers, will determine whether or not rotation is possible.

7.1.15 Performance Library

Students are responsible for the music that has been loaned to them for their use, and for its return in good condition to the Gertrude Whitley Performance Library. Students will be required to pay for the replacement of any music that has been lost, stolen, or damaged, and a hold on a student's Minerva account can be placed by the Performance Librarian should music or fines not be handed in to the Library.

7.2 Accompanying

Music students registered for practical instruction (including elective study) in one of the eligible instruments may request Accompanist Funding up to a maximum number of hours. Further details are available from the Department of Performance Office (performance.music@mcgill.ca).

7.3 Academic Category

All Music students are registered in one of the following categories:

Academic Categories

Major: B.Mus. candidates may choose one or more of several majors as described under [section 8: Browse Academic Units & Programs](#).

Faculty Program: A general B.Mus. program (see [section 8.1.4: Bachelor of Music \(B.Mus.\) - Faculty Program Music \(123 credits\)](#)).

L.Mus.: Diploma programs are designed for advanced instrumentalists and singers who wish to concentrate on their practical subject.

Special: Those who are not proceeding towards a degree or diploma.

Visiting: Those taking courses at McGill for credit towards a degree at another university.

7.4 Auditing

For information on auditing, see [University Regulations and Bylaws on Auditing \(section 8.1979 on auditing\)](#)

Supporting evidence such as an appropriate medical note is required. The supporting documents must be submitted to the [Music Student Affairs Office](#) no later than January 15 (for Fall courses) or May 15 (for Winter courses). For all exam deferral requests except for practical music examination, an L (deferred) will appear in place of a grade if the request is approved. The grade obtained in the deferred examination will replace the grade of L (deferred) on the official transcript.

Deferred examinations in academic courses without a final exam during the official exam period are given at the discretion of the instructor. A deferred examination in a Music practical examination will be held during the next examination period.

Deferred examinations in academic courses will be held in May for the Fall term and August for the Winter term. Examinations will follow the rules of the faculty concerned. Visit the [Exams](#) website for more information. **It is the student's responsibility to check the date, time, and place of the deferred examination.**

A mark of L (deferred) not cleared by mid-May makes the student ineligible for scholarships.

Students who are unable to write a deferred exam must contact the Music Student Affairs Office immediately to initiate a withdrawal from the deferred exam. Deferred examinations cannot be written at a later date. If the withdrawal is not approved, a final grade of J (absent) will be entered and will count as a zero in the TGPA/CGPA.

7.12 Supplementals

Supplemental examinations in Music academic courses may be given at the discretion of the instructor. A student who receives a mark below 30% in a course is not permitted to take a supplemental examination but must repeat the course.

7.13 Rereading of Examinations

A student wishing to have an examination paper reread should apply in writing to the Associate Dean (Academic and Student Affairs). The mark given in the rereading, whether higher or lower, will replace the mark originally given. Any request to have a term paper or other coursework reassessed must be made directly to the instructor concerned.

7.14 Academic Standing

Academic Standing is based primarily on students' cumulative grade point average (CGPA), but may also be affected by their term grade point average (TGPA). Academic Standing, which is assessed after the end of each term, determines if students will be allowed to continue their studies in the next term and if any conditions will be attached to their registration.

Decisions about Academic Standing in the Fall term are based only on grades that are available in January. Grades for courses in which students have deferred examinations and Fall term grades for courses that span the Fall and Winter terms do not affect Academic Standing for the Fall term, even though they will ultimately affect students' Fall TGPA. Therefore, Academic Standings for the Fall term are designated as "interim" and should be interpreted as advisory; moreover, interim Standings will not appear on external transcripts. **Interim Standing decisions are mentioned below only if the rules for them differ from those for regular Standing decisions.**

7.14.1 Satisfactor y/Interim Satisfactor y Standing

Students in Satisfactory Standing may continue in their program.

- New students are admitted to Satisfactory Standing.
- Students with a CGPA of 2.00 or greater are in Satisfactory Standing.

7.14.2 Probationar y/Interim Probationar y Standing

Students in Probationary Standing may continue in their program, but must carry a reduced load (maximum 12 credits per term) and raise their TGPA and CGPA to return to Satisfactory Standing. They should see their academic adviser to discuss their course selection.

Students in Interim Probationary Standing may continue in their program, but should evaluate their course load and reduce it as appropriate. They are strongly advised to consult their academic adviser, before the withdrawal deadlines, about their course selection for the Winter term.

- Students who were previously in Satisfactory Standing will be placed in Probationary Standing if their CGPA falls between 1.50 and 1.99.
- Students who were previously in Probationary Standing will remain in Probationary Standing if their CGPA falls between 1.50 and 1.99 and their TGPA is 2.50 or higher, although the TGPA requirement will not apply to the Summer term.
- Students who were previously in Interim Unsatisfactory Standing will be placed in Probationary Standing if their CGPA falls between 1.50 and 1.99 and their TGPA is 2.50 or higher.
- Students who were previously in Unsatisfactory Standing and who were readmitted to the Faculty by the Associate Dean (Academic and Student Affairs) will be placed in Probationary Standing if their CGPA is less than 2.00, but if they satisfy relevant conditions specified in their letter of readmission.

7.14.3 Readmitted Unsatisfactory Standing

Students who were previously in Unsatisfactory Standing and who were readmitted to the Faculty by the Associate Dean (Academic and Student Affairs) will have their Standing changed to readmitted Unsatisfactory Standing. Their course load is specified in their letter of readmission, as are the conditions they must meet to be allowed to continue in their program. They should see an academic adviser to discuss their course selection.

7.14.4 Unsatisfactory/Interim Unsatisfactory Standing

Students in Interim Unsatisfactory Standing may continue in their program, but should evaluate their course load and reduce it as appropriate. They are strongly advised to consult an academic adviser, before the withdrawal deadlines, about their course selection for the

Departments may recommend to the Faculty that students be awarded Outstanding Achievement in recognition of superior performance on an instrument or in an academic discipline.

The **Department of Music Research** offers undergraduate degrees in Composition, Music Education, Music History, Theory, and the Faculty Program. The Department also offers Minors in Music History, Composition, Music Education, Music Entrepreneurship, Music Theory, and two Minors in the area of Music Technology.

The **Department of Performance** offers undergraduate degrees in Performance, Early Music Performance, and Jazz Performance; diploma programs in L.Mus.; and a Minor in Early Music Performance.

8.1 Department of Music Research: Composition; Music Education; Music History; Theory; Faculty Program

At both the undergraduate and graduate levels, the Department embraces the disciplines of Composition, Music Education, Music History, and Theory; and at the graduate level, Music Technology and Sound Recording. The philosophy of the Department is to encourage integration of the disciplines as much as possible within the learning process in each program of study: the development of basic musicianship, the absorption of the grammar and syntax of musical discourse, and the study of the world of ideas are understood as interconnected.

Major programs offer the student some focus with the flexibility to pursue other areas of interest. The Faculty program is intended to offer an option for individual and creative plans of study. All of the Department's programs give a solid grounding in analytic, synthetic, and writing skills that are useful preparation not only for the musical profession but also for professions as diverse as law, journalism, management, and librarianship.

The Music Education program combines an orientation towards a professional career in primary and secondary schools with sensitivity to broader intellectual frameworks against which teachers should understand their roles. This program is offered concurrently with the B.Ed., Music (see [section 8.3: B.Mus./B.Ed. Bachelor of Music and Bachelor of Education Concurrent Program](#)).

The Department also offers a Minor in Composition, a Minor in Music Education, a Minor in Music Entrepreneurship, a Minor in Music History, and a Minor in Music Theory to students who seek to place their work in a larger context, as well as a Minor in Musical Applications of Technology and a Minor in Musical Science and Technology to Music students and to students from other faculties.

For each program, all courses listed are REQUIRED courses unless otherwise indicated.

8.1.1 Bachelor of Music (B.Mus.) - Major Composition (124 credits)

8.3 B.Mus./B.Ed. Bachelor of Music and Bachelor of Education Concurrent Program

The Bachelor of Education in Music is an integrated four-year 120-/121-credit program of initial teacher training that leads to certification as a teacher in the Province of Quebec. When offered concurrently with the Bachelor of Music (Major in Music Education), the program offers students the opportunity to obtain a Bachelor of Education degree and a Bachelor of Music degree after the completion of 137 credits, normally five years (170 credits or six years for out-of-province students). The Concurrent program combines academic studies in music, professional studies, and field experience. The two degrees are awarded during the same convocation period.

The components of the 137-credit **Bachelor of Education in Music/Bachelor of Music (Music Education)** are as follows:

- 55 professional credits
- 70 Music academic credits
- 12 elective credits (which must include 3 credits of non-Music electives)

Students in the Concurrent B.Mus./B.Ed. who receive an F or J in any Field Experience course are placed in Unsatisfactory Standing. Although they may complete their term, they are required to withdraw from the Concurrent program; however, they may apply to transfer to the B.Mus. Faculty program.

8.3.1 Concurrent Bachelor of Music (B.Mus.) - Major Music Education and Bachelor of Education (B.Ed.) - Music Elementary and Secondary (137 credits)

The Bachelor of Music (B.Mus.) - Major Music Education, when offered concurrently with the The Bachelor of Education - Major Music Elementary and Secondary, provides students with the opportunity to obtain a Bachelor of Music degree and a Bachelor of Education degree after the completion of 137 credits, normally five years (170 credits or six years for out-of-province students*). The Concurrent program combines academic studies in music, professional studies, and field experience. The two degrees are awarded during the same convocation period.

* Out-of-province students or those who have not completed Quebec CEGEP, French Baccalaureate, International Baccalaureate, or at least one year of university studies prior to commencing the Concurrent program.

To be admitted to the Concurrent program, students must satisfy the regular admission requirements of the Schulich School of Music and Faculty of Education. Normally, students will be admitted to both components of the Concurrent program simultaneously. Applicants who already hold a Bachelor of Music degree from a North American university should apply to the Faculty of Education. Students who have completed 30 or more credits in a Bachelor of Music program, exclusive of the Freshman year for out-of-province students, should apply for admission to the Concurrent program.

All applications for the Concurrent program are to be made to the Admissions Office of the Schulich School of Music.

Note:

1. Students who major in Music Education may also audition for Jazz Ensemble (MUEN 595) and use this ensemble for credits towards the performance requirement.
2. If Choral and Keyboard Arranging (MUTH 461) is not offered, students may use The Art of Composition (MUCO 230) as a substitute course. If MUTH 461 is offered, students majoring in Music Education must take this course to fulfill the program requirement.
3. Students who major in Music Education in the jazz stream may also take Jazz Arranging 1 (MUJZ 260) instead of Choral and Keyboard

9.1 Practical Assignment and Lessons

9.1.1 Registration/Withdrawal

Registration for practical instruction (MUI courses) is **not available** on Minerva. Students are reminded to submit an [Online Practical Instruction Request Form](#) by the specified deadlines. Practical Instruction will then be added onto students' records.

The deadline for withdrawing from practical instruction is the end of the second week of classes in any term. Students cannot withdraw from practical instruction on Minerva; they must notify the Department of Performance in writing of their intention to withdraw.

9.1.2 Assignment of Teachers

The assignment of students to teachers for practical instruction is the responsibility of the Chair of the Department of Performance. Student requests for specific teachers will be taken into consideration whenever possible.

It is understood that returning students will study with the same teacher unless prior arrangements have been made with the Chair of the Department in consultation with the teachers concerned. **However, those students who do not return the Online Practical Instruction Request (including Voice Coaching) by the specified deadline cannot be guaranteed the teacher of their choice, and they will be assessed a late fee of \$50.** Teacher assignments will be made soon after the period of enrolment and confirmed during the first week of classes. Following this assignment, it is the students' responsibility to contact their teachers and arrange lesson times.

Individual lessons missed as a consequence of the instructor's absence will be made up at the mutual convenience of the instructor and student. Lessons missed as a result of the student's absence will be made up only if notice of cancellation has been given 48 hours in advance, or if a doctor's certificate is

Distribution of Marks: For students registered in practical instruction through the Schulich School of Music, the teacher submits a term mark which is included as 50% of the final mark. In instances where the student's teacher is on the panel, the teacher's global evaluation will nevertheless be equal to 50% of the final mark. This grade will also be entered in the student's current or most recent term of practical instruction. When a student is not registered for lessons, the final mark will be the average of the marks submitted by the examination panel and will also be entered in the most recent term of practical instruction.
