1 PRIZMA: Full Spectrum Learning

PRIZMA partners with the community to offer quality, multidisciplinary courses to adult learners who are curious and want to keep learning. We offer dynamic courses which invite curiosity, as well as provide solid knowledge on the topic. Our courses offer a wide spectrum of learning, including music, art, science, human development, history, and architecture.

Our courses and events offer quality information made accessible by great facilitators who understand adult learning and how to engage participants. They are designed to provide students with a sense of wonder and a deeper understanding of the subject matter through learning experiences and may include special guests, access to unusual locations, and a hands-on approach that provides students with an extraordinary learning experience.

Our partners include cultural, social, educational, and public institutions, such as the Montreal Museum of Fine Arts, *Institut du Nouveau Monde*, McCord Museum, *Société des arts technologiques*, and *Autorité des marchés financiers*.

We are proud to offer learning events in both French and English.
